DRAWING TRANSMITTAL WITH CERTIFICATE OF MAILING

Dear Sir:

Please replace the original single drawing Figure with the enclosed Replacement Sheet, and add the enclosed New Sheet to the application. In the Replacement Sheet, the figure has been labeled as Fig. 1, and the "boxes" have been labeled in conformance with the specification. The New Sheet includes a new Fig. 2 schematically illustrating a flow diagram of an example of the inventive method originally described in connection with Fig. 1 in the specification at page 7 line 31 to page 10 line 6. Thus, the changes do not introduce any new matter.

Respectfully submitted,
Werner BERNZEN et al.
